

# HURRICANE HELENE RELIEF DONATIONS

LEE Industries is deeply saddened by the widespread damage and devastation that Hurricane Helene has caused our community, state, and neighboring states. Our thoughts and prayers are with everyone affected, including many of our LEE associates and their families. We are committed to supporting the immediate and ongoing need for donations for assistance and donations in the region. For those who wish to contribute, please consider making monetary donations to the following organizations:

## **Samaritan's Purse:**

Samaritan's Purse stands ready to respond at a moment's notice whenever and wherever disaster strikes. They specialize in international disaster relief, meeting critical needs for victims of conflict, disaster, famine, and epidemics throughout the world, often working through ministry partners on the ground.

## **United Way ABC:**

Since its founding in 1921, United Way of Asheville and Buncombe County (UWABC) has been known as a convener — bringing together the necessary people and resources needed to tackle crucial community issues and connect people to the support they need.

## **WC Kitchen:**

WCK is first to the frontlines, providing meals in response to humanitarian, climate, and community crises. When disaster strikes, WCK's Chef Relief Team mobilizes to the frontlines with the urgency of now to start cooking and provide meals to people in need.
